Name: Alpha Petroleum Transport, Inc. II

Address: PO Box 77536, Corona CA 92877

Attention: Douglas L. Parker

Subject: Issuance of Liquid Waste Hauler Permit to Alpha Petroleum Transport, Inc. II

PERMIT NO.: H1126-4

NAICS NO.: 562998-All Other Miscellaneous Waste Management Services

Dear Douglas L. Parker:

The enclosed Permit issues pollutant limitations and requirements for the wastewater hauled by your Company to be discharged at the Inland Empire Brine Line Collection Stations. The wastewater discharged at the Inland Empire Brine Line Collection Stations, and actions and reports relating thereto, shall be in accordance with the terms and conditions of this Permit. This Permit authorizes use of the Inland Empire Brine Line Collection Stations. A separate Permit is required for each waste generator.

If you wish to appeal or challenge any discharge limitations, requirements, or conditions imposed in this Permit, a petition shall be filed for modification or reissuance of this Permit in accordance with the requirements of Section 402.1 of SAWPA Ordinance No. 8, or any successors thereto, within ten business (10) days of the date of issuance.

The attached map includes the location and contact information for each of the Inland Empire Brine Line Collection Stations within the SAWPA service area.

Alpha Petroleum Transport, Inc. II (Permittee) is hereby authorized to discharge wastewater at any of the Inland Empire Brine Line Collection Stations (Collection Stations), in accordance with the pollutant limitations, monitoring requirements, and other conditions set forth in this Liquid Waste Hauler Permit (Permit) and the provisions of Santa Ana Watershed Project Authority (SAWPA) Ordinance No. 8, including any successors thereto (hereinafter referred to as Ordinance). Compliance with this Permit does not relieve the Permittee of its obligation to comply with SAWPA's and the Orange County Sanitation District's (OC San) wastewater regulations, all pretreatment regulations, standards or requirements under local, State and Federal laws, including any such laws, regulations, standards, or requirements that may become effective during the term of this Permit and the Riverside County Health Department, San Bernardino County Health Department, or other county having jurisdiction regarding the cleanliness, sanitary conditions, and Liquid Waste Hauler vehicle requirements. OC San is the owner/operator of the Publicly Owned Treatment Works (POTW) and is recognized as the Control Authority by Federal Regulation 40 CFR 403 and has the authority and right to enforce its pretreatment program within SAWPA's Service area. SAWPA is OC San's Delegated Control Authority.

Non-compliance with any term and condition of this Permit shall constitute a violation of the requirements of the Ordinance and this Permit and shall subject the Permittee to applicable enforcement actions.

This Permit is issued on:	January 19, 2023
This Permit shall become effective on:	January 20, 2023
This Permit shall expire at midnight on:	January 19, 2026

The Permittee shall not discharge any wastewater at any of the Collection Stations after the Permit expiration date. If the Permittee wishes to continue to discharge after the expiration date, an application for reissuance of this Permit must be filed in accordance with the requirements of the Ordinance.

This Permit authorizes use of the Inland Empire Brine Line Collection Stations. A separate Wastewater Discharge Permit is required for each waste generator.
